“ PIL was great. I improved my French quite a lot not only due to the course of French but also to the French family I stayed with.

Miss Milagros ZANABRIA
Peru

“ I started with one low level (A2) and I almost reached a B2 level when I left the PIM School. I must say that this is mainly thanks to the very good PIL and PIM organization ran by Network "n+i".

Mr Rohit BHUTANI
India

Programmes in Engineering with Network "n+i"

INTERNATIONAL BACHELOR: A visit from 6 to 12 months in a French Engineering Institute (under agreement with the foreign university).

MASTER: A 2 year training, including 6 months of paid work experience (internship), which leads to a master's degree from a French Engineering Institute (diplôme d'ingénieur or international master).

POST MASTER: A 1-year programme of specialization in a specific field of study for a better integration into working life.

PRE-DOC: A programme dedicated to future PhD students to identify and select the most appropriate laboratory.

RENDEZ-VOUS "n+i", a cocktail of culture, language and engineering: a 14-days discovery programme of the French technological know-how.

90% OF STUDENTS SIGN FOR A JOB BEFORE GRADUATION

“"n+i" provided me assistance all along my training in France. I am now registered in a doctoral programme. I would thank you (n+i) again for all of that!

Mr Veljko TOMASEVIC
Serbia

“The "n+i" experience gave me the opportunity to open my mind on the world and to discover another culture.

Mr Ahmed METAWEA
Egypt

STUDYING IN FRANCE WITH NETWORK "n+i" ? EASY!

3 000 STUDENTS FROM 80 COUNTRIES HAVE DONE IT BEFORE YOU!

STAND OUT FROM THE CROWD WITH NETWORK "n+i" !

EACH YEAR, THE CLASS OF NETWORK "n+i" IS **35 %** WOMEN

**A DEVELOPING INTERNATIONAL EXPERIENCE:
20% ADDED VALUE TO THE SALARY OF A RECENTLY GRADUATE ENGINEER.**

“The training of engineering in France was a very good experience for me. The internship contract from "n+i" with the company gave me work placement opportunities and provided a perfect orientation for my professional life

Mr Jing FANG
China

“After one month in Clermont-Ferrand, I felt very comfortable, met good friends and I appreciated the student life in France which is very good!

Miss Ana G. ROSAS VAZQUEZ
Mexico
